

Magnified In Glory

A Child Is Born
from MAGNIFICENCE
by Nick Page ©1992

MAGNIFIED IN GLORY is from an oratorio called MAGNIFICENCE. The child in the piece refers to all children, which is to say all of us. The inspiration is the Magnificat text where mother Mary is told by an angel that she shall be magnified.

The form of MAGNIFIED IN GLORY is inspired by the interweaving polyphony of South African choral music.

MAGNIFICENCE by Nick Page is large scale work that celebrates Creation from both scientific and spiritual perspectives. The oratorio has only been performed once in its' entirety. The piece draws inspiration from European classical traditions as well as jazz, Gospel (We Pray), Spirituals, South African, minimalism, and the blues.

A child is born, Allelujah!
A child is born, Allelujah!
Magnificent Glory, Allelujah!
Magnificent Light, Allelujah! (repeat)

Alleluia, Magnified in Glory,
Magnified in Light,
Sing Alleluia! (repeat)

A child is born, Allelujah!
A child is born, Allelujah!
Magnificent Glory, Allelujah!
Magnificent Light, Allelujah! (repeat)
