This is an inspirational song made popular by singer Gloria Estefan

The chorus will sing the words in **bold**

Verse 1

Why be afraid if I'm not alone?
Though life is never easy
The rest in unknown
And up to now for me it's been
Hands against stone
Spent each and every moment
Searching for what to believe

Coming out of the dark

I finally see the light now
And it's shining on me

Coming out of the dark

I know the love that saved me
You're sharing with me

Verse 2

Starting again is part of the plan
And I'll be so much stronger

Holding your hand

Step by step, I'll make it through

I know I can

I may not make it easier
But I have felt you
Near all the way

Coming out of the dark

I finally see the light now
And it's shining on me

I see the light, I see the light, I see the light

Coming out of the dark

I know the love that saved me
You're sharing with me

Forever, and ever

stand on the rock

Forever and ever ooh

Forever, and ever

stand on the rock of your love

Coming out of the dark p.2

Of your love is all it takes
No matter what we face
Coming out of the dark

Coming out of the dark
I see the light
I feel your love shining on me
Shining, shining, shining
Coming out of the dark

I know the love that saved me
You're sharing
You're sharing with me
I see the light, I see the light, I see the light
Coming out of the dark
Sharing with me
Sharing with me
Sharing with me
I cannot be in the dark
Make it into the light, yeah
Your love's shining on me
I see the light, I see the light, I see the light
Coming out of the dark

I see the light,

I see the light, I see the light
Shining, shining, shining
Coming out of the dark
(repeat)
