

Lyrics for 5-4-21

NOTE FROM NICK:

The lyrics for Melanie DeMore's songs will not be projected on the screen tonight. Her songs work best with us not looking at words. That said, here are the two songs we prepared for her visit.

Sending You Light by Melanie DeMore

CHORUS I am sending you light
To heal you, to hold you
I am sending you light
To hold you in love.

1) No matter where you go
No matter where you've been
You'll never walk alone
I feel you deep within

2) No matter what you feel
Or what you choose to show
I'm always there for you
And so I want you to know.

3) I walk the path with you
Go slow dear one, don't hurry
I'll go just like you need to go
There is no need to worry

Woyaya (We Will Get There) arr. by Ysaye Barnwell

We are going, Heaven knows where we are going,
But we know within.
And we will get there,
Heaven knows how we will get there,
But we know within.

It will be hard you know
And the road will be muddy and rough
But we'll get there,
Heaven knows how we will get there,
But we know we will.
Woyaya Woyaya

Ayúdame a mirar (Help Me to See)

by Xochitl Galán Molinet

sung by Sol y Canto

Brian & Rosi Amador from CD El Doble de Amigos

Note: syllables are broken up by hyphens. An underscore between two vowels means they are elided.

Pe-da-ci-to de mar, que me con-sue-la
pe-da-ci-to de mar, be-san-do_a-re-nas
to-da tu_in-men-si-dad, de-jan-do hue-llas
a-yú-da-me_a mi-rar.

*Little piece of sea that consoles me
little piece of sea that kisses the sand
all of your immensity leaving traces
help me to see.*

*I am from inland, from the woods
I never imagined that there existed
this intensity of blues that blinds me
help me to see.*
