

## MY GOD

1. You give me that joy like a river  
You give me that mercy I never  
deserve  
You give me that love, nothing better  
You give me that sweet peace like  
never before

2. There's nobody like God, like God  
I'm talking 'bout my God, my God  
There's nobody like God, like God  
I'm talking 'bout my God, my God

BRIDGE Praise the Lord, everybody,  
I love the Lord, You heard my cry,  
Check it out!!

(Your love is so amazing, Your love  
is so incredible) x2

(Never get enough of Your love)x3

(Never get enough, never get  
enough, never)

(He's so Good x8)
