(Group 1) Bottom 2 lines 4X

Honor the Dark

As you do the light

Receive the gifts that come to us by day and by night

I choose to honor the dark

Uncertainty and change

Deliver us from fear until only love remains

(Group 2) Top line 2X

Honor the Dark

(Group 3) Repeat 3X

As the butterfly slips free from her dark cocoon

As the evening sky reveals the light of the moon

Sometimes fear surrounds us sometimes there will be pain

Let the darkness heal you until only love remains

(Group 4) Sing line once through

Honor the DarkNESS (8X)
