## **To audition for a solo:**

- Listen to the practice track you'd like to sing in your headphones, and sing the solo part listed above while recording yourself (audio or video recording).
  - Feel free to use any device...**it doesn't need to be fancy!** You don't need to dress up or do makeup or record it for 2 hours on 30 takes. A simple recording from your phone or a computer is totally fine.
- Share your audio or video with me by uploading it at this link: [bit.ly/35thSolos](https://bit.ly/35thSolos)
- If this feels not doable for you, but you'd like to audition, please email Mike at [director@mysticchorale.org](mailto:director@mysticchorale.org) to set up a time to meet.
